Opportunity to work with experts in the field to see how to break down evaluation framework etc. Was also good to chat with group about how they work on evaluation.

Applied knowledge and experience of presenters. Diversity of participants and policy areas/challenges discussed in practical exercises.

Very easy pace. Well explained and clear with lots of opportunities to practice

Well presented—succinct and to the point.

<p>How well did the workshop meet your expectations?</p>	<p>It was really beneficial for me and met my expectations.</p> <p>Very well.</p> <p>Well above my expectations.</p> <p>Very well—clear explanation of theory and practice behind evaluation</p>
<p>What understandings, tools and skills have you gained and what difference will these make in your practice following the workshop?</p>	<p>I got a lot of the DIY Program logic, converting objectives into performance indicators as well as examples of hard and soft data in a practical sense, relating to my own project.</p> <p>Better understanding of program logic, evaluation application, tools and methods. Better equipped to apply and propose evaluative thinking and action early in the policy development and approval process.</p> <p>More confidence to approach policy design or evaluation given the frameworks which were provided. Some really simple, but effective ways of working.</p> <p>Sound knowledge and clear understanding of some techniques to undertake evaluation as a policy officer in my agency.</p>
