How well did the workshop meet your expectations?	Met/Exceeded.
	Covered more than I initially thought it would.
	Very well. It has helped consolidate my existing skills and gave a very good perspective on the policy side.
	Covered off on key aspects of what I expected from the course. I now have a greater level of confidence understanding evaluation.
	Well.
What understandings, tools and skills have you gained and what difference will these make in your practice following the workshop?	Program logic development and best practice evaluation techniques.
	Basics of evaluation, program logic/logic models, evaluation frameworks. This will help us greatly as we look to development and evaluate policy.
	More knowledge on policy.
	Familiarity with the tool/concept of theory change, logframe, evaluation framework. Confidence in the rigor that is attached to robust evaluation and its use in policy development.
	Understanding the program logic; the difference between inputs and outputs and outcomes; as well as useful tips and tricks for policy development and evaluations.
How well did the presenters meet your expectations?	Met/Exceeded. Incredible knowledge and expertise.
	Surpassed expectations — knowledgeable, well-paced, flexible.
	Very clear presenters and extremely knowledgeable.
	Great presenters — Marion's experience is clearly evident.
	Well.
Would you recommend the program to others?	Yes.
	Yes.
	Yes.
	Yes.
	Yes.
